

PowerSchool & Vanco:

Two ways to simplify payments and accounting

Want to make online payments even easier for your parents? Take your pick! Together, Vanco Education and PowerSchool make a powerful team and provide integration options to cater to your district's particular needs. We're the gold standard for collecting school payments online. In fact, Vanco is a PowerSchool Premium Partner. That means we integrate in the most important ways to make work and payments easy for both staff and parents.

Vanco Education's integration options with PowerSchool provide convenience for parents and makes finance work faster and easier for school staff.

Option 1:

Parents Pay without Leaving PowerSchool

Vanco Fee Management PowerSchool Plugin

- Parents log in, view and pay for assigned fees directly within the PowerSchool dashboard
- The Vanco Fee Management PowerSchool Plugin makes it simple to ensure on-time and easily trackable payments are made within the online experience parents are comfortable with

Option 2:

One Place for Parents to Make All Payments

Vanco RevTrak Web Store

- The one-stop shop for all your school payments
- Mobile-friendly
- Centralized payments for
 - Meals
 - Event tickets
 - Donations
 - Assigned Fees
 - And More

Want BOTH options? Accept assigned fee payments in PowerSchool via our Plugin AND offer a convenient Web Store check out experience for everything else! Why choose?

These real-time API integrations keep schools' data current at all times. Payments appear instantly to make money management easy for staff. The API also means that parents see their true balance as soon as they deposit money or pay a fee.
